Education

Welcome

First of all, welcome to our beautiful school. Small schools are a terrific place for your child to receive their education. Your child will become more than just a number or a face, they become part of the school family.

At Cattai PS, the teaching staff prides themselves on providing personalised learning for every student or what I like to call 'The Goldilocks Effect', where the learning is not too easy and not too hard but just right. Every student has the learning adjusted to their individual needs and aspirations. We follow each individual student's learning journey using tracking sheets that inform the teacher, and more importantly the student, exactly what your child already knows and what they need to learn next.

We have a wide range of facilities on site including BMX Track, a S.T.E.M. Lab, a Library, a Music Room, an Oval, a Basketball Court, a Chicken Coup, Vegie garden, sand pit an Administration building and 4 fully operational classrooms. All of this overlooks the paddocks, dams and nature reserve next door to the school. Creating a truly unique setting for your child to continue their learning journey.

I look forward to working with you in shaping your child's future. Feel free to contact me with any concerns you may have. My door, phone line and inbox are always open.

Strategic Directions

Personalised
Visible Learning

Quality
Collaborative
Teaching

'Personalised Visible Learning' should be embedded into every aspect of the teaching and learning cycle to cater for all students' unique gifts and talents. Empowering learners in a student centred environment where they are able to self-evaluate their own learning needs and will set the foundations for each student to be a life long learner.

'Quality Collaborative Teaching' is necessary to share the teaching talents of staff so that a holistic educational experience for the students is achieved. Embedding collaborative, high quality teaching practices and transparent data driven systems to drive all teaching and learning programs will build the support structures around the students as they progress along their learning journey.

Our Learning Environment

Cattai Public is a happy and safe rural school overlooking the Cattai Creek in a picturesque setting.

Class sizes are small and we have a strong focus on personalised learning and student and teacher accountability. Strong academic standards are reflected by committed teachers and students, who work together to achieve strong student performance.

Students regularly participate in academic competitions, debating, public speaking, sporting gala days and termly MMWaC events with our locals schools. A common belief is held by all in developing the whole child, giving students opportunities to learn and develop skills in all areas of the curriculum.

Cattai Public School has a supportive and caring parent community who regularly assist the students and staff through fundraising events and school working bees.

Cattai School Song

(To the tune of Click Go the Shears)

At Cattai School high upon a hill
The children play and work with
a will

For they are free in our dear
land

Where all may work for futures
planned.

On sports day happy voices
ring

On choir day you can hear
them sing.

Many a child will remember the
ride

Across flowing creeks as floods
subside.

As time goes by we're put to
the test

We'll cherish the times of
happiness.

At Cattai School high upon the
hill

The children play and are
working still.

Advance Australia Far National Anthem

Australians all let us rejoice for
we are young and free.

We've golden soil and wealth
for toil, our home is girt by sea.

Our land abounds in nature's
gifts, of beauty rich and rare.

In history's page, let every
stage, Advance Australia Fair.

In joyful strains then let us
sing, Advance Australia Fair.

Beneath our radiant southern
cross, we'll toil with hearts and
hands,

To make this Commonwealth of
ours' renowned of all the lands.

For those who've come across
the seas, we've boundless
plains to share.

With courage let us all combine
to Advance Australia Fair.

In joyful strains then let us
sing, Advance Australia Fair.

School Pledge

This is our school.

Let us always try to work hard
at our lessons,

to play fair at our games

and to obey and respect our
elders.

A Brief History

The first land grant in the area was made to THOMAS ARNDELL in 1804. He named the grant "CADDIE".

The School was established in 1886 and was known as Maroota.

The name was changed to Cattai Public School in 1908.

The School had only one teacher until the second building was opened in 1968. A demountable classroom was added in 1980, with a second demountable being occupied in 1984. A third demountable was delivered to Cattai for use as a Library in 1987.

A new double classroom block was opened 9th September, 1994 to take the place of the two demountable classrooms.

A new library was built in 2009 and also a demountable office was erected to replace the original administration building.

Sports Carnivals

Cattai Public School has two House Groups:

Kookaburra - Blue

Pelican - Yellow

These groups are used for school based carnivals.

The school also competes in the Annual Small Schools' Swimming and Athletics Carnivals.

Primary children compete in District Carnivals where they combine and represent Cattai PS as part of the Small Schools Team.

Voluntary School Contributions

We appreciate all contributions made to the school, we rely on this not only to assist us in purchasing basic requirements for day to day classroom activities, including paint, paper, pencils, art and craft items, but also to purchase all of which enhances your child's learning.

Entry To School Grounds Outside School Hours

Members of the school community please note that school grounds are covered by the Enclosed Lands Act. As such, outside of school hours students and community members must have permission from the principal to be on the school grounds.

If you see or notice anything untoward, such as unauthorised people in the school grounds and/or people acting suspicious on or near the school outside school hours, please contact School Security - 1300 880 021.

Attendance/Sickness

Frequent absences can affect a child's progress and late arrivals can disrupt the class.

A child's health is of prime importance and consideration must be made to the contagious factor of an illness and sick children should be kept at home.

If your child is absent, please send an explanatory note on his/her return to the class teacher.

If you wish your child to leave school before the normal finishing time for any reason, please send a written request to the class teacher with your child.

If your child is late or you need to collect your child from school you will also need to sign your child in or out at the school office.

Should your child become ill during the day, where possible and when considered necessary, parents will be contacted by telephone and informed of the circumstances.

Crunch and Sip

Cattai PS participates in the 'Crunch 'n' Sip' program. Each student is encouraged to bring in some fruit and veg each day with a bottle of water. They can then 'Crunch an' Sip' on them during class time to help keep up their energy levels.

Lost Property

Please ensure that ALL clothing and property is labelled clearly with your CHILD'S NAME. A regular check will guard against loss of items.

Parent and Care Giver Involvement

Skoolbag

The Skoolbag App is our main form of communication with the Cattai school community, keeping you up to date with all the exciting things that are happening at our amazing school.

If you are new to Skoolbag and would like to know how to install the App, see the 'how to' guide on the following page.

Skoolbag will essentially work in the following ways:

- 3) If the note includes sections that parents need to sign for permission then both a paper copy of the note and a Skoolbag notification/email will be sent.

See over page details on how to setup up skoolbag on your phone.
