Kindergarten-2021 students will meet their buddies (Year 4 & 5 2020 students) on their first transition day at our school. They will visit the classrooms and participate in early learning activities with their buddies. Our Kindergarten teacher will lead these early learning activities with our new students.

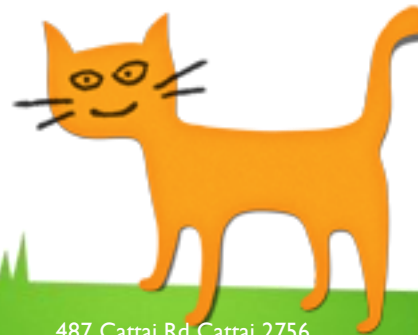

Parents are encouraged to attend an information session that will inform you about the Kindergarten curriculum, school uniform, school routines and organisation. We will also have a talk about healthy lunches and a representative from the P&C will discuss their role in helping the school. The parent session will be held in the school library from 9:00 - 11:00am on the first orientation day. A light morning tea will be available afterwards until 11:30am.

TRANSITION
2021

TRANSITION PROGRAM

TRANSITION MORNING 1

Wednesday 21st October, 2020, 9am-11am

The children will be introduced to their Kindergarten classroom and teacher for 2021. The children will also meet their buddies for 2021 and will go on a tour of the school. Parents will have an information session with the Principal and members of the P&C during this time.

TRANSITION MORNING 2

Wednesday 28th October, 2020, 9am-11am

TRANSITION MORNING 3

Wednesday 4th November, 2020, 9am-11am

TRANSITION MORNING 4

Wednesday 13th November, 2019, 9am-11am

SESSION OVERVIEW

Each session will include a typical Kindergarten Literacy and Numeracy lessons and either a Science, Geography, History or P.E activity as well as time for developmental activities, games and craft.

We will also have a fruit/vegie break during this time so please send a labelled container with some small pieces of fruit or vegetables for "crunch and sip."

The purpose of these transition visits is to familiarise you and your child with the "big school" environment. Your children will visit the Kindergarten classroom, the school library, the playground and other important areas of the school. During the 4 sessions, the children will be involved in getting to know each other activities, games

and craft as well as mini lessons in Literacy, Numeracy, Science, History, Geography and P.E.

This is a wonderful opportunity for us all to get to know each other, especially for the children, with the support and comfort of Mum or Dad attending as well.

We welcome all students and their families to our school, however, priority is given to children who live within the school boundary.
