Term 1 Week 4 — 18 February 2021

PRINCIPAL'S REPORT

Cyber Bullying Parent Information Session

On the 24th February the Windsor Police Youth Liaison Officer will be visiting Cattai PS and talking with our students on the importance of cyber safety as part of our Physical Development and Health unit. At 5pm there will be the opportunity for parents to attend a parent information session around cyber safety and the laws around cyber safety. I strongly urge that anyone who can make this session attend as the best way to help protect our children from the potential risks of cyber safety is to have the knowledge needed to support them in safe screen time practices.

Parent Assemblies

Unfortunately we will need to begin the year with our Parent Assemblies remaining virtual for now. Unless there are any major announcements over the next week, assume that all parent assemblies will be recorded and posted to google classroom in the same manner in which we did last year.

Promotional Photo Shoot

Thank you to Anthony from MSP Photography for staging the promotional photo shoot at Cattai PS on the 5th February. The students took part in a promotional photo shoot with the intention of using these photos to update our enrolment package and kindy transition information sessions. As always the students enjoyed the process and we now have a

bunch of photos that celebrate the amazing family culture we have at Cattai PS.

Homework

All Teachers sent home and/or posted homework last Friday the 12th February. Although each class will slightly modify what homework is set each week, you should see some consistency around how we are posting Numeracy. These activities are tailored to each individual student's level based on their end of year Visible Learning assessments. If your child is finding the activities either too easy or too hard let us know and both myself and the Cattai Teachers are happy to support in whatever way we can.

My top 3 tips to help with homework.

- Have a dedicated space to do homework at home away from noises and other distractions.
- Plan a set time each day/week to complete homework to help establish a routine. Preferably when they are at their most rested.
- If it is becoming too stressful (for either you or your child) then leave it and come back to it at another time.

Take care

Robert Hawkes

"Quote of the Fortnight"

in the middle of every
difficulty lies
opportunity.
albert einstein

Say hello to C2!

Elsie L - I like reading books in our rainforest reading corner.

Lucas - I love our new reading corner.

Chloe S - I love the setup of our classroom because it is a rainforest. And we have our own reading tree corner.

Will B - My favourite thing in C2 is maths. We do fun activities.

Shelby - My favourite thing to do in C2 is Art and Craft because it is fun.

Dylan - My favourite thing about C2 is that we have a lovely teacher.
