Term 2 Week 8 — 9 June 2021

PRINCIPAL'S REPORT

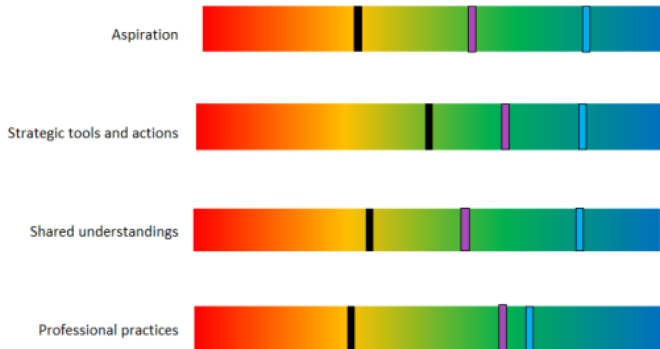

Visible Learning School Capability Assessment

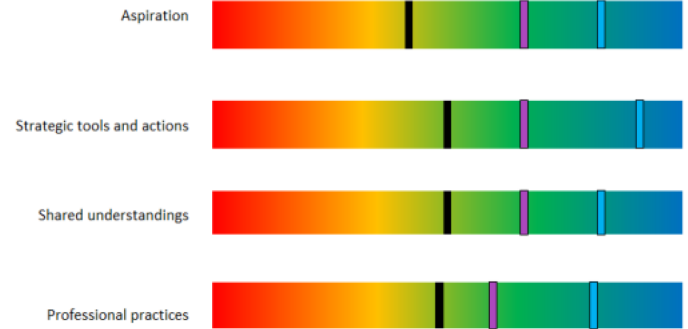

On the 24th of May members of the Corwin team came out and assessed Cattai PS in relation to the four Visible Learning areas.

I have included the graphs from the assessment. In a nutshell red section means towards the lower end of achievement and blue section of the graphs is the higher end of achievement. The black lines were the results from 2018 when we first did the assessment. The purple line represents the 2019 results and the blue line represents the most recent 2021 results from two weeks ago. 2020 data wasn't collected due to COVID. This data gives us a clear idea of where we are and where we are heading on our visible learning journey. It also includes detailed qualitative data within the 14 page report. It is pleasing to see so much progress along the visible learning continuums and it is a real credit to the teachers and students.

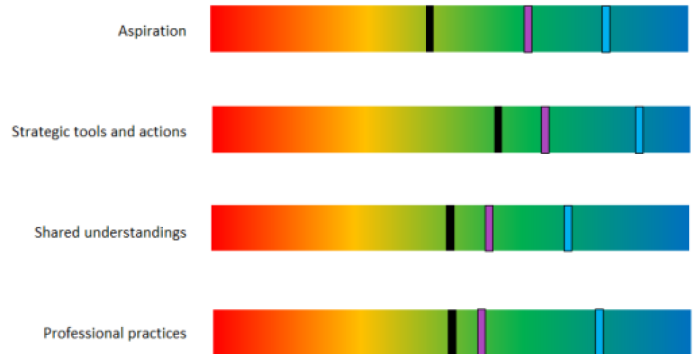

The Visible Learner

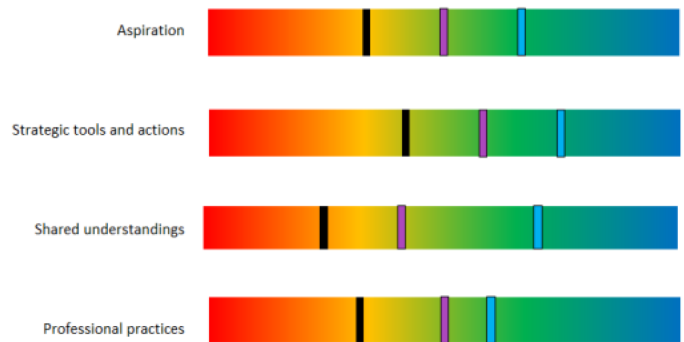

Inspired and Passionate Teachers

Know thy Impact

Effective Feedback

Take care

At Lunch	BMX	SRC Meetings Odd Weeks Library Even Weeks	"Cattai Croppers" Gardening Club	Dance	Board Games

"Quote of the Fortnight"

H.S.I.E

In Geography this term we have seen studying Climate and how it effects weather, landforms, and where people live.

C3 have been working hard on their Lego models of how landscapes have changed over time and the human influences on these changes.

C2 are looking at different climatic zones of the world, and how different environments respond to do different climate conditions.

H.S.I.E

C1 are learning about weather patterns and different ways of telling seasons. They've been very enthusiastic with their demonstrations of animal behaviour!
